ABOUT MEET THE BUYER

The Flint & Genesee Chamber of Commerce, in partnership with Region 6 PTAC and the I-69 Thumb Region, is hosting the **Third Annual Flint & Genesee Meet the Buyer event** on **January 28, 2016**. This event provides a fast-paced, innovative way to connect buyers with vendors from across the region. Last year, 25 buyers were able to meet with more than 125 vendors in a format similar to 'speed dating'. Each buyer has five minutes to share information about their organization and what they buy, followed by 15 minutes for attendees to briefly present their companies and ask questions.
