

Current List of Flint Sprint Projects

Sponsor Status	Organization Name	Project Name	Expected Outcome(s)
ChoiceTel	City of Flint	City Hall Phones	Analyze the current state and provide recommendations for the IT Department to submit a bid for a new phone vendor.
Baker College	City of Flint	City Hall Recruitment	Analyze its currently dated (as of 1979) personnel rules and regulations manual. Provide recommendations and best practices to create an updated draft. The department is currently understaffed, thus, needing additional recommendations to maintain their newly updated manual.
Deloitte Consulting	City of Flint	Communications	Propose innovative strategies for optimizing the City's current communications department and create feasible communication plan to keep Flint citizens informed, given limited budget and staff.
AT&T	City of Flint	IT Improvement	Perform needs analysis to determine specific requirements around enterprise Wi-Fi for City Hall (number of access points, wiring, etc.)
Consumers Energy	City of Flint	Parks & Recreation	Perform an energy audit on two historic community centers to allow for cost-savings (with allocation of funds to more pressing needs) and support citizen education on sustainability.
Downtown Detroit Partnership	City of Flint	Police – High Definition Cameras	Conduct a needs analysis to pursue funding opportunities for the high definition camera program. Analyze the estimated number of cameras that will be needed to monitor the Flint area and strategic planning for implementation to access the footage wirelessly (via cloud access).
OpTech	City of Flint	Police – Record Keeping	Provide recommendations for merging four different record-keeping systems, and assess current state usage/management, cost analysis for potential savings, and recommendations for implementation.
Consumers Energy	City of Flint	Public Lighting	Provide financial analysis to determine city-wide pricing for light conversion, recommendations on funding sources, and begin the conversion process
QL/Rock Ventures	Communities First, Inc.	Community Connections	Redesign community resource booklet and support development of web app.
QL/Rock Ventures	Communities First, Inc.	Marketing for Affordable Housing Initiatives	Create marketing plan for Communities First, Inc. to increase awareness of solutions to homelessness and poverty.
