ABOUT MEET THE BUYER

The Flint & Genesee Chamber of Commerce, in partnership with Region 6 PTAC, is hosting the **Flint & Genesee Meet the Buyer** event on Friday, May 11, 2018. This event provides a fast-paced, innovative way to connect buyers with vendors from across the region. In past years, buyers were able to meet with more than 125 vendors in a format similar to ‘speed dating’. Each buyer has five minutes to share information about their organization and what they buy, followed by 15 minutes for attendees to briefly present their companies and ask questions.
