There is no fee associated with either check.
 - *Note:* Non-profit organizations will need to provide a copy of the background check(s) or provide a written statement on the organization’s letterhead confirming that the employee(s) have fulfilled this requirement.
 - Previously approved vendors must annually provide a letter stating that the status of all representatives is unchanged from the original background check. (Any new staff must still complete the background check.)
 - It is the responsibility of the vendor to report to YouthQuest any change in status of one of its representative and/or withdraw said individual(s) from providing services through their corporation or organization to YouthQuest.
- Required Paperwork – All vendors will be required to complete a contract, turn in an W-9 Form, and submit regular invoices for payment once approved as a qualified YouthQuest Vendor.
