

The Flint & Genesee Chamber of Commerce
Women's Leadership Committee
invites your business to send

Due to the Covid pandemic, residents in care facilities may not be allowed to visit in person with their loved ones. The Women's Leadership Committee wants them to know they are not forgotten.

How can you help? Simply invite your staff to sign a few holiday cards and include a note of encouragement.

To participate, contact:

Jennie Main - (810) 600-1459 • jmain@flintandgenesee.org

Leigh LaForest - (810) 600-1427 • lforest@flintandgenesee.org

The WLC will pick up the cards the week of December 7 at your business and then deliver them to area member assisted living facilities.
